Premier wealth management and inheritance

WHY TRUST

Trusts VS Wills

TAX PLANNING

Tax-efficient when making estate transfers

SIMPLE PROCEDURES

Exemption from cumbersome certification procedures in the case of estate transfers

FLEXIBILITY

Trusts can allocate assets to different people at different times according to the principal's intention

PERMANENT ACCOUNT

Trusts are long term trust accounts, which provide more perpetual asset protection than wills

INHERITANCE

Trusts are a combination of wealth management and wealth transfer, creating long-term value for assets

FUNCTION OF TRUST
